Education

Ph.D. University of Virginia

Social Psychology, 2017

Dissertation: *The Influence of Temporal Group Identities on Goal-Pursuit*

Committee: Benjamin Converse (Chair), Gerald Clore, Shigehiro Oishi, Kieran O'Connor

M.A. University of Virginia

Social Psychology, 2014

Thesis: *Activating Mental Representations of Rivals Increases Motivation*

Committee: Benjamin Converse (Chair), Gerald Clore, Timothy Wilson

B.A. University of Michigan

Honors Program

Psychology (High Honors), 2010

Thesis: *The Influence of Weight Cues on Product Perceptions*

Advisor: Norbert Schwarz

Academic and Professional Appointments

University of Massachusetts Amherst

Psychology of Peace and Violence Program, Department of Psychology

Postdoctoral Research Associate, 2017-Present

PI: Bernhard Leidner

University of Michigan

Research Center for Group Dynamics, Institute for Social Research

Research Associate (Lab Manager), 2010-2011

PI: Stephanie Brown, Sara Konrath

Research Interests

Rivalry, social cognition, group processes & intergroup relations, intergenerational & contemporary group identification

Grants and Fellowships

National Science Foundation (NSF), *Developing a Biopsychosocial Model of International Rivalry: Investigating Physiological and Neuroendocrinological Reactivity to Intergroup Conflict in the USA and Israel*. Co-PI, \$1,423,479, (not awarded). 2019-2022

National Science Foundation (NSF), *SBE Postdoctoral Fellowship: From Destructive to Constructive International Conflict By Turning Rival Threats into Challenges: An Empirical Investigation and Intervention in the USA and Israel*. Principle Investigator, \$138,000, (not awarded). 2019-2021
